Flushing with Pride!

GROW is excited to announce the completion of our new on-site, fully ADA-compliant bathroom!

This accessible, hygienic facility supports year-round programming and ensures comfort for all who visit.

Our General Contractor, **Tim Hanna** of TD Builders, did an outstanding job bringing the project to life.

We also extend thanks to those whose time, talent, and resources made this possible:

- **Matt McGrane**, for generously donating architectural drawings
- **Bowker Mechanical** and **James Kurth**, for donating labor
- **Bart Woods**, for donation of materials and project oversight

Finally, a heartfelt thank you to our major donors

Aegon Transamerica FoundationSM and **New Leader Manufacturing** for making this project financially possible.
