Annuals, Perennials, Herbs

Saturday, May 2, 2026

9 am - 1 pm

2630 Otis Road SE

Greenhouse benches are filling up  
for Buds & Blossoms

## Growing Skills with the Core Crew

Each month, GROW Team Leads focus on different workplace skills with hands-on activities that reinforce teamwork and independence.

In March, the focus was “**Finish What You Start.**” Core Crew members practiced completing tasks before moving on by following checklists and finishing one job at a time. Taking advantage of the nice weather, the team placed numbered markers on our year-old saplings.

The new signage will make it easy to identify each tree.

We were also delighted to welcome back a Core Crew member who participated in our 2024 pilot program. A two-year Core Crew teammate partnered with them to demonstrate how we collect, clean, and store eggs, turning a daily chore into a hands-on lesson in teamwork and responsibility. **Team building in action.**

### 2026 Core Crew Skill Focus

Month	Job Skills	Goals	Try This
January	Team Building	Working Together, Help a Co-Worker	Take Turns, Share Ideas
March	Finish What You Start	Complete Tasks Before Moving on, Follow a Checklist	Finish One Job at a Time

Tasks complete...one tree at a time.

### Grow: Growing Real Opportunities for Work

GROW is a non-profit that empowers individuals living with challenges by providing valuable employment skills through meaningful work in horticulture.
