GROW'S MISSION IN ACTION

Empowering growth and independence through horticulture

Congratulations to Trey, who worked in GROW's greenhouse last season as part of the *To The Rescue* team. This spring, Lowe's Garden Center hired Trey! We are incredibly proud of his accomplishment and excited to see him continue to grow. 🎉🌱

**From greenhouse to garden center—
Trey's hard work is taking root.**

Growing Stronger Through Shared Roots

Kim Kazimour welcoming GROW team members to Grow Hub; gathering ideas and inspiration to strengthen GROW's programs.

Connecting with the GROW HUB team and their Core Crew, the "Hubbers," Learning, sharing, and growing—together.

GROW at Kazimour Farm & Orchard was inspired by GROW HUB, a non-profit plant nursery in Gainesville, Florida, co-founded by Dr. Kim Kazimour, a development psychologist, and Cedar Rapids native. Kim also co-founded GROW at Kazimour Farm & Orchard, helping bring this vision home to Iowa.

Board Member/Director of Programming Maureen Rompot and Team Lead Susan Morris along with volunteers Danielle and Samatha visited GROW HUB to gather insights, share ideas, and bring back seeds of inspiration to strengthen GROW programming. Thanks to the team at GROW HUB for their warm welcome and willingness to share their expertise.

Grow: Growing Real Opportunities for Work

GROW is a non-profit that empowers individuals living with challenges by providing valuable employment skills through meaningful work in horticulture.
